6.3 Transit and Terrorism Clause

Notwithstanding any provision to the contrary contained in this policy or the clauses referred to therein, it is agreed that in so far as this policy covers loss of or damage to the livestock caused by terrorism, such cover is conditional upon the livestock being in the ordinary course of transit and, in any event **shall terminate either:**

6.3.1 as per Clause 3.2, or

6.3.2 on delivery to any other warehouse or place of storage, whether prior to or at the destination named herein, which you elect to use either for storage other than in the ordinary course of transit or for allocation or distribution,

whichever shall first occur.

For the purposes of this insurance, "terrorism" means any act(s) of any person(s) or organisations(s) involving:

- ▼ the causing, occasioning or threatening of harm of whatever nature and by whatever means,

Section 7 – How Much We Will Pay

7.1 Claims under this policy **are not subject to the application of average or underinsurance.**

7.2 If, at the time of any loss of or damage to the livestock, there is **any other current insurance**, whether effected by you or by any other person or persons, covering the same livestock, we will not be liable (where legally entitled) for more than the rateable proportion (having regard to the other insurances, whether Marine or Fire, and whether or not such other insurances are exempted from contributing either by the existence of this policy or any other policy) of such loss, damage, liability or expense.

7.3 Subject to the terms, conditions, limitations and the maximum limit of liability shown in the policy schedule, plus the additional benefits detailed below, at our option we will pay you, or other parties agreed with you, the lesser of:

7.3.1 the net invoice value covering the livestock whilst in transit (including freight if separately invoiced to the receiver), or

7.3.2 if there is no invoice value, the cost of replacing the livestock, with similar livestock of the same age and condition or as near as possible to that age and condition.

7.4 Additional Benefits Under Section 7

If we agree to pay a claim under Section 7.3, we will also pay you the following **additional benefits** (if you are required to pay these costs):

- 7.4.1 in the case of injury to livestock as detailed in Clauses 5.1 and 5.2, at our option we will pay the cost of agisting the livestock to bring them back to their condition prior to the loss or the agreed depreciation in value if they are sold as injured livestock,
 - 7.4.2 the cost of mustering animals following a loss as detailed in Clause 5.1, up to a limit of 25% of the insured value of the livestock involved, (calculated according to Clause 7.3),
 - 7.4.3 **clean up and disposal costs at any accident site**, where you are legally or contractually obliged to pay same, up to a limit of \$50,000 any one accident or series of accidents arising from any one insured event,
 - 7.4.4 any **additional freight or salvage charges** that you are required to pay to remove the livestock from any accident site, including the cost of transport to forward the livestock to their intended destination or to return the livestock to the place from which they were despatched,
 - 7.4.5 the reasonable costs paid by you to **avoid or minimise any further death or injury** to the livestock.
- 7.5 Where a loss is payable under this policy, we will apply the following **restrictions to payments**:
- 7.5.1 where any livestock has a special value as part of a unit (eg cow and calf), the special value will be taken into account in the claims settlement, but shall not exceed the value of the unit determined in accordance with Clause 7.3.
- 7.6 If the insured transit is interrupted or terminated due to the **insolvency or financial default of the carrier**, we will pay the extra costs of freight to forward the livestock to their intended destination, or to return same to the place from which they were despatched, up to a maximum of 10% of the insured value of the livestock (calculated according to Clause 7.3).
- 7.7 All claims we pay under this policy will have any **excess deducted** prior to settlement.
- 7.8 **Notwithstanding the payment provisions contained in this policy, we will pay the claimant or payee:**
- 7.8.1 where the claimant or payee **cannot** claim an input tax credit in respect of the cost to make good the loss, the amount(s) payable as detailed in the policy, including the amount of any Goods and Services Tax (GST) due in respect of the payment, or
 - 7.8.2 where the claimant or payee **can** claim an input tax credit in respect of the cost to make good the loss, the amount(s) payable as detailed in this policy, less any input tax credits available to the claimant or payee in respect of the payment.
 - 7.8.3 The terms "GST" and "input tax credits" have the meaning given to them in A New Tax System (Goods and Services Tax) Act 1999.

Section 8 – Claims

- 8.1 When an event occurs which may give rise to a claim under this policy, there are certain procedures you must follow to tell us about your claim and to protect the livestock and your potential recovery action against any third parties. You must:
- 8.1.1 immediately **take all reasonable measures** to avoid or minimise any further death or injury to the livestock. The reasonable cost in doing this will be reimbursed by us under Section 7.4.5. Any measures you or we take to save, protect or recover the livestock shall not be considered as a waiver or acceptance of abandonment or otherwise prejudice the rights of either party.
 - 8.1.2 **tell us** as soon as possible all of the details known to you including the time and location of the loss, and any circumstances that will assist us to investigate that loss. This information should be provided to us in writing, including all supporting documentation such as invoices, consignment notes or letters that you have received from your customer,

- 8.1.3 **not dispose** of any livestock without giving us the opportunity to examine same,
 - 8.1.4 **note the extent and type of loss** on the consignment note or similar document,
 - 8.1.5 **within three days, lodge a written claim on the carrier**. If you are unable to fully quantify the extent of your loss, still write to the carrier within three days, advising them that further details will be forwarded once the claim is quantified.
- 8.2 We may wish to appoint a surveyor to report to us on aspects of the loss. **You should cooperate** with the surveyor as this will assist swift consideration of your claim.
- 8.3 When we settle the claim, we may endeavour to **pursue recovery rights** against the carrier or any other third party who caused the loss. **You authorise us to act in your name** in such recovery action, and undertake to give us reasonable assistance in such actions.

Section 9 – Law & Practice

This policy is subject to Australian law, including the Insurance Contracts Act 1984. It is also subject to Australian jurisdiction.

Section 10 – Your Duty of Disclosure

You have a legal duty of disclosure to us whenever you apply for, change or renew an insurance policy.

What you must tell us

You have a general duty to disclose to us everything that you know, or could reasonably be expected to know, is relevant to our decision whether to insure you, and, if we do, on what terms.

However, your duty does not require you to disclose anything:

- ▼ that reduces the risk to be undertaken by us,
- ▼ that is generally well known,
- ▼ that we know or, in the ordinary course of our business, ought to know, or
- ▼ in respect of which we have waived your duty.

Your general duty applies to renewals and changes

Your general duty applies in full when you renew an insurance policy or change an existing policy (including when you extend or reinstate it).

Your general duty is limited for new policies

When you apply for a new policy your duty of disclosure applies, but you do not need to disclose something to us unless we specifically ask you about it. However, you must be honest in answering any questions we ask you. You have a legal duty to tell us anything you know, and which a reasonable person in your circumstances would include in answering the questions. We will use the answers in deciding whether to insure you and anyone else to be insured under the policy, and on what terms.

Who needs to tell us

It is important that you understand you are disclosing to us and answering our questions for yourself and anyone else you want to be covered by the policy.

If you do not tell us

If you do not answer our questions honestly or do not properly disclose to us, we may reduce or refuse to pay a claim or may cancel the policy. If you act fraudulently in answering our questions or not disclosing to us, we may refuse to pay a claim or treat the policy as never having existed.
